Team Red - AskMissy

Weekly Development Report 1 (Note: there should be one report posted to the project website at the end of each week…)

Performance Period: Tuesday 1/11 - Monday 1/17

Group Accomplishments:
1. Setup - The Google drive and Git Repository were established and shared to the team members, Laura and Prof. Brunelle.
2. Calendar - a centralized calendar was implemented to help team members collaboratively plan
3. Lab 1 Outline - updated for prototype desc., glossary and references

Individual Contributions/Accomplishments:
- Matthew - I completed task 1 once I had finished watching recitation and reading the associated materials posted in Blackboard. I also worked on task 3 with aid from Dannisse.
- Tanner - Finished initial database (with script) of 50 books for library database in MySQL with data of Title, Author, Rating, Synopsis(more so the overview), and rating. Books were from GoodReads 'Books Read in School' section.
